Business Arising:

1. Trail Permit: Our Club, in response to some feedback received from several ATV Clubs in the region wished to revisit the Trail Permit options presented at the February meeting. It was discovered new information on this should be shared with those present. Following discussion moved by Stirling, the original motion mover, seconded by Roydon, "Skedaddle Ridge revoke our previous motion and supports Option C, Option 1." Carried

2. Signs: New trail signs have been ordered for placement on the trails.

3. Trail Map: Bob indicated he and Allison met with the Trail Manager for the NBATVF and felt positive about the progress being made on the new Skedaddle Ridge Trail map. There were some areas that required additional input and it was planned a map would be available for the next Club meeting.

New Business:

1. Fund-Raising Project: Stirling presented to the members the idea of selling tickets on two cord of fire-wood as a possible project to raise funds to support Club trail maintenance costs. A discussion on ticket cost, number to be printed, draw date, value of the wood in lieu of receiving the product, etc. was discussed. Bob suggested a committee be formed to review this suggestion and report at the April meeting. Stirling and Lloyd agreed to be on this committee.

2. Trail Maintenance: It was noted some bridge decking on our trails needs to be replaced. The cost to do this must come from Club funds.

3. Member Notification: It was noted a new person must be secured to forward voice messages to members and monitor the Facebook section on the website. Kaylee indicated she would perform this service.
