Old Business:

1. **ATV Safety Course – Sat. Aug. 19th:** A safety course if being arranged in our region in partnership with the NBATVF. The location will be determined upon participant interest. Cost: Federation members: \$20 for children age 6-15 yrs., Adults: \$50. Cost Non-federation member: Children \$70 and Adults \$100. If an age appropriate ATV must be rented, the cost is \$35. Members were asked to promote this course and interested participants should contact Pres. Curtis Crain or Kayla Crain at 375-0017
2. **Club Connecting Trail:** The Prov. Committee was to meet in July however the Club has had no feedback on the decision regarding the PNA in the proposed trail connecting Skedaddle Ridge and Millville Mud-Runner ATV Clubs. The region is waiting to hear from the Federation on repairs to the Grafton bridge section to connect the east and western part of the Province.
3. **Trail Map:** Additional hard copy maps are required as inventory is low. It was suggested to delay printing until a decision has been made by the PNA committee, the reason being the map trail colour will change to a dark blue as this route will become part of the Provincial trail and the #10 signs will be indicated on the map.
4. **Lotto Tickets:** Members were reminded to return their sold tickets.

New Business:

1. **Club BBQ:** Club members volunteered to co-ordinate this BBQ being held at the Mount Pleasant Community Center.
2. **President's Run:** Start Ellis Bridge, bring your own lunch. No charge.
3. **Geo-cache:** A discussion was held regarding the location and upkeep of the geo-cache boxes. Steve indicated he would check as the location posted on the website has not changed.
4. **Director's Meeting:** A fall date will be decided at the next meeting. A suggestion was made to review and update the Club by-laws.
5. **Trail Signs:** Bob raised the concern of having additional smaller ATV signs placed on the correct trail, particularly at intersections when a non-ATV trail connects with a Skedaddle trail.
